The MALA Hub platform made it possible for users to find resources from various universities with a one-stop. Because of the success of these initiatives success, Alliance members now look forward to future developments and improvements in the various services in the coming year.

粵科圖（信息所）與澳門大學簽署戰略合作協定

Guangdong Province Science and Technology Library Signed a Strategic Cooperation Agreement with the University of Macau (2023.3.3)

3月3日，廣東省科技圖書館（廣東省科學院信息研究所）（以下簡稱粵科圖（信息所））與澳門大學簽署智慧財產權信息公共服務戰略合作框架協定。省科學院合作促進部主任鄭新、澳門大學圖書館助理圖書館館長梁德海、粵科圖（信息所）館（所）長裘鋼等出席簽約活動。

簽約儀式上，鄭新指出，本次簽約是貫徹落實粵港澳大灣區發展戰略的具體行動，省科學院及粵科圖（信息所）將協同澳門大學發揮各自優勢，協同推進智慧財產權信息公共服務體系建設，為粵港澳大灣區打造國際科技創新高地做出應有貢獻。裘鋼表示，本次簽約打通新時期雙方全方位多領域合作管道，有助於深化粵澳科技創新合作交流，以智慧財產權高水準保護與高品質運用賦能粵港澳大灣區創新發展。

澳門大學圖書館館長吳建中視頻表示，協定的簽署標誌著雙方建立長期穩定的戰略合作關係，有助於充分發揮雙方優勢，深化合作領域、促進共同發展，推動融入粵港澳大灣區科技創新全鏈條，共同提升智慧財產權及科技服務水準。澳門大學圖書館助理館長梁德海表示，期待雙方在智慧財產權信息公共服務多領域合作做出積極有益嘗試，面向社會公眾和創新主體提供智慧財產權全方位支援服務。

根據協定，雙方將秉承服務大局、協同創新、合作共贏原則，在信息資源建設、智慧財產權信息公共服務體系建設、智慧財產權服務及科技智庫服務、人才培養及學習交流等領域展開合作，共同推動國家智慧財產權信息公共服務體系建設。

澳門大學研究服務及知識轉移辦公室智慧財產權事務主任吳雯、圖書館事務主管楊迅凌等，省科學院合作促進部、粵科圖（信息所）有關部門負責人參加簽約活動，並開展座談交流。

On March 3, the Guangdong Provincial Science and Technology Library and the University of Macau signed a strategic cooperation framework agreement on intellectual property information public services. Director Zheng Xin of the Cooperation Promotion Department of Provincial Academy of Sciences, Assistant University Librarian Billy Leung of the University of Macau Library, and Director Qiu Gang of the Guangdong Science and Technology Library attended the signing ceremony.

At the signing ceremony, Zheng Xin pointed out that this agreement would be a concrete action to implement the development strategy of the Guangdong-Hong Kong-Macao Greater Bay Area. The Provincial Academy of Sciences and Guangdong Province Science and Technology Library would cooperate with the University of Macau to give full play to their respective advantages, jointly promote the construction of a public service system for intellectual property information, and make contributions to the creation of an international technological innovation highland in the Greater Bay Area. Qiu Gang stated that this agreement would open up all-round and multi-field cooperation channels between the two parties in the new era, which would help deepen cooperation and exchanges in science and technology innovation between Guangdong and Macao, and empower the innovation and development of the Greater Bay Area with high-level protection and high-quality use of intellectual property rights.

Wu Jianzhong, University Librarian of the University of Macau, said in a video that the signing of the agreement marked the establishment of a long-term and stable strategic cooperative relationship between the two parties, which would help to give full play to the advantages of both parties, deepen cooperation areas, promote common development, promote integration into the entire chain of technological innovation in the Greater Bay Area, and jointly improve the level of intellectual property and technological services. Billy Leung, Assistant University Librarian of the University of Macau, said that he expected the two parties to make positive and beneficial attempts in cooperation in multiple fields of intellectual property information public services, and provide comprehensive support services for intellectual property rights to the public and individuals.

According to the agreement, the two parties will uphold the principles of collaborative innovation and win-win cooperation. By cooperating in the fields of information resources construction, intellectual property information public service system construction, intellectual property services and technology think tank services, talent training and learning exchanges, etc., the parties will jointly accomplish the construction of the national intellectual property information public service system.

Related personnel from the Cooperation Promotion Department of the Provincial Academy of Sciences, Guangdong Provincial Science and Technology Library and the University of Macau participated in the signing ceremony and discussions. Participants from the University of Macau included Wen Wu, Functional Head of Intellectual Property and Technology Commercialization Affairs of the Research Service and Knowledge Transfer Office, and Yang Xunling, Functional Head of Public Access and Reference Unit of the University Library, etc.

小繪本大道理——童書裡的生命智慧

人生不如意的事十之八九，如意的事也僅一二，因此人常會處在低谷、困境之間。如何在低谷時安然自若，在高峰時虛懷若谷，進退合宜皆是智慧。

從生命繪本裡感悟作者傳達的生命智慧，從故事的線索反思人生的順逆，或許在驀然一笑中參透夜郎自大者的隱因，在悲歌行中頓悟恬淡寡欲的安適。

走進童書實非童書，是成人生命的智慧書，邀請午後生命繪本的饕宴猶如空谷幽蘭的品茗。

吳建中館長連續第三次入選中國重要轉載來源作者名單

2023年4月22日，中國人民大學正式發布了複印報刊資料圖情檔學科重要轉載來源作者2022年度入選名單，共26人。重要轉載來源作者評選從2016年版開始，2019年版為第二次發布，2022年版為最新第三版。據該評選機構統計，圖情檔學科2016和2019兩版連續入選者六人，吳建中館長為其中一位，他更於2022年版連續第三次入選。

吳館長表示很榮幸今年第三次繼續入選！他展望對圖書館業的熱情始終如一，他要做的不僅是學問探索，而且還要肩負起職業自信與自強的責任。

On 22 April 2023, the Renmin University of China officially released the 2022 list of authors whose works are considered important sources for the reproduction of newspapers and periodicals, with a total of 26 authors represented in the field of librarianship, information and archival sciences. The List of Authors of Important Reproduced Sources has been published since 2016. The second edition of this list was issued in 2019, while the third edition, the most recent, appeared in 2022. According to the selection committee, only six authors in the field of these sciences were listed consecutively between 2016 and 2019. Dr. Wu Jianzhong is one of those six. In the 2022 edition, Dr. Wu was again on the list for the third time.

Dr. Wu expressed his pride in being on this list for the third time, coupled with his great enthusiasm for library science as always. All that he has done to date is nothing more than contributing to the deepening and self-improvement of the profession, and above all to the reinforcement of responsibility and self-confidence.

Raymond Wong has worked at the University of Macau for nearly 36 years. During his career he has witnessed the development and continuous improvement of the university, and is particularly happy and proud to be a member of this university. One of his most memorable moments was perhaps the relocation of the university to the new campus, an event he described as "a family moving into a bigger, more beautiful house, filled with hope". He hopes the university can provide more opportunities for its faculties and staff to nurture more talent, which in turn can give back to the university.
