

Two Library Workshops for Developing Your Research Skills (11/02/2014)

Dear All,

Warmest greetings to all of you for the new semester!

In order to help further developing your research skills, the Library has organized a series of new workshop in the period of this semester from February to April, 2014. The schedule for this month is as follows:

Topic 1: **How to prepare and design the questionnaire in your research work**

As you all know, using questionnaires is important to collect data on phenomena that cannot be directly observed. This workshop is helpful for students to plan and design the questionnaire for a survey in their research works.

Speaker: Dr. Angus Cheong, President, Macao Polling Research Association

Date: [19th February 2014](#) (Wednesday)

Topic 2: **Innovation with the Web of Science**

This workshop aims to navigate research with citation connections, to explore the next generation of WOS and also to present efficient research workflow.

Speaker: Dr. Ning Ning, Solution Consultant, Intellectual Property & Science, Thomson Reuters

Date: [25th February 2014](#) (Tuesday)

The above-mentioned workshops will be held on the Bibliographic Instruction Room of UM Library and arranged with the following two sessions for each workshop:

Morning session: 11:00 to 12:00

Afternoon session: 15:00 to 16:00 (Repeated)

Please select any one of the above-mentioned sessions on the date of the workshop to attend.

For reservation or enquiries, please contact us at lib_ref@umac.mo. (Please specify your name and staff/student no. when making reservation.)

Regards,
UM Library
