

## Interactive Teaching Tools are Now Available in the University Library (For Academic Staff Only) (18/04/2012)

Dear Faculty members,

To provide more effective support to teaching and learning, the Library has always looked for the most innovative and easy-to use equipment. In this connection, we are now pleased to announce that Interactive Teaching Tools (including MimioTeach, MimioPad and MimioCapture) are now available for academic staff in the Orientation Room 1 of the University Library.

The new features allow you to:

- Turn your ordinary whiteboard into an interactive whiteboard instantly.
- Save your regular dry erase marker notes in full color.
- Control your interactive whiteboard from anywhere in your classroom.

### Interactive Teaching Tools

All academic staff are welcome to reserve the room and use these new tools. Reservation in advance is required.

For reservation, please send e-mail to [lib\\_booking@umac.mo](mailto:lib_booking@umac.mo).

For enquiries, please contact our library staff Mr. Ernest Sio by calling 83978199 or 83978160.

Thank you very much.

Regards,  
UM Library
