

Web of Science -- Training Sessions and Quizzes with Fabulous Prizes (29/02/2012)

Dear All,

[Web of Science](#) is a major research and citation index database that the Library is subscribing to with coverage back to 1980. It covers subjects in sciences, social sciences, arts and humanities.

In order to let our users have better understanding of how to use this database, the Library has invited senior staff in the Web of Science company to give some training sessions with details as follows:

Date : 7th March 2012 (Wednesday)

Time : 11:00 to 12:00

15:00 to 16:00 (repeat session)

Venue : Bibliographic Instruction Room, G/F of UM Library

Instructor: Dr. Khee Hiang Lim, Principal Consultant, Thomson Reuters

In addition, we have asked Thomson Reuters to conduct a [University of Macau Research History Discovery Quiz](#) from 15th March to 30th April, 2012 on the Web of Knowledge platform. This quiz aims to test our users on the University's research history. Those who have the highest total number of correct answers for all the 3 quizzes will get the chance to win fabulous prizes such as Samsung Galaxy S2, Apple iPad. Please see the attached poster for more information.

For registration of the training session or any enquiries, please contact us at lib_ref@umac.mo or by calling 8397-8171.

Regards,
UM Library
