

Come and Join the Information Literacy@UM Library Program -- Library Skills Training (12/10/2011)

Dear All,

As we all know, using information literacy to enhance research is of paramount importance in this information age. The Library, therefore, launches the **Information Literacy@UM Library Program -- Library Skills Training**, which enables our users having the abilities required for information literacy to locate, organize, evaluate and effectively use information.

Please find the attached PDF for the courses schedule and kindly visit our web page at <http://library.umac.mo/html/services/reference/libprog/asp/libprogram.asp> to click the "Courses Schedule" for sign-up.

All library users are welcome to enroll in any courses in this program and the teaching members are also recommended to encourage their students to register for these courses. A stationery set will be given free to each participant.

For any enquiry, please contact us at lib_ref@umac.mo by calling 8397 8171 or 8397 8158.

Thank you for your kind attention.

Regards,
UM Library
