

Library News -- A New Batch of Electronic Databases (01/03/2011)

Dear all,

In order to support faculty members and students in their teaching, learning and research, the Library has recently subscribed to the following online databases:

(1) CEIC Data -- It is a platform in which Global Database and China Premium Database are subscribed to assist economic research. These two databases cover the data of over 120 countries as well as the statistical figures of China market.
