

## M-Library: A New Library Service Launched (24/02/2011)

Dear all,

The Library is pleased to announce the launch of a new library service -- **M-Library**, which will provide great convenience to our users who are "on-the-move". This service will enable our users with browser-enabled mobile and hand-held devices such as smartphones, PDAs, to enjoy access to our library resources. With this service, our users can --

- login to their library account to view book loan records and renew books;
- search library materials;
- access to e-books and full text e-journal articles;
- place library materials on hold;
- check library hours, contact information and locate our library via Google Map.

Our users can access the mobile version at <http://m.umaclib3.umac.mo> or by clicking the "phone" icon on the Library website. For more information, please contact our library staff at 8397-8193 or [stephenl@umac.mo](mailto:stephenl@umac.mo).

Thank you.

Regards,  
UM Library
