

RFID System Installation for the University Library Collection (18/06/2010)

Dear Library Users,

In order to improve the Library's collection management and to adopt the latest advanced technology, the University Library is going to apply RFID system to the Library collection. Kindly be informed that the installation schedule will be as follows:

17-30 June	Reference collection (G/F)
1 July to 31 Aug	General collection (1/F)

During the above periods, some library materials may be temporarily unavailable for reading or loan. Your understanding and cooperation will be most appreciated.

For any inquires, please feel free to contact the Library's Circulation Counter by 8397-8160.

Thank you for your attention!

Regards,
University Library
