

Extention of the University Library Opening Hours During the Exam Period (24/05/2010 - 16/06/2010) (19/05/2010)

Dear All,

In order to further enhance our service in meeting our students' needs to have more quiet places to study for their examination, the University Library will extend the opening hours of the Library during the examination period (24/05/2010 - 16/06/2010). As there will be only skeleton staff on duty during the extended hours in the evenings, we would like to appeal to our users to take good care of the library property, to keep quiet, and to observe the Library Rules.

Please refer to the following for the details of the opening hours and counters' service hours:
