

Faculty Liaison Librarians Scheme (15/04/2005)

In order to strengthen communication between the various Faculties/Centres and the Library, the Library has recently implemented the Faculty Liaison Librarians scheme. A senior member of the library staff is assigned to serve as a liaison librarian for each Faculty/Centre. He/she offers a communication channel between faculty members and librarians, sharing latest information about library services and resources, etc. and at the same time collecting feedbacks from faculty members.

Faculty Liaison Librarians for each Faculty/Centre are as follows:
