

User Satisfaction Survey 2005 -- Have You Returned It Yet?(2005年度行政服務滿意度問卷調查 -- 交回問卷了嗎?) (27/10/2005)

Dear colleagues,

We would like to thank those of you who have taken the trouble to complete the questionnaires and returned them to the contact person in your Faculty/Department/Unit. For those of you who have not done so yet, may we gently remind you that tomorrow (28 October) is the deadline for you to do so? If you have not received, or misplaced, your questionnaire, please feel free to get in touch with Winnie of the Library (by email: wileung or ext. 8187).

We hope that, with your help, this year's survey will be a success and will form the basis for our way forward in improving services to all members of the university community. Therefore, please do take a little time to complete the questionnaire and return it to us. Thank you.
