

## **Welcome and Warm Reminders from the University Library (02/09/2015)**

Dear All,

While welcoming you all back to the new academic year, the Library would like to remind you of the following –

- The opening hours for Newspaper and Periodical Reading Area at the Ground Floor of the Library have been extended to 12:00 p.m. (midnight) everyday (Except the dates when the Library is closed).
- As the air-conditioning system in the Library needs some re-adjustment and repair work which will be arranged by FOM, and the weather has not been stable recently, please study in the areas that air-conditioning is not so strong and also consider to bring in some warm clothing with you according to personal needs.
- Please remember to take all your personal belongings with you when you leave the Library.

Thank you very much.

Regards,  
UM Library
