

Enhancement of the Library's RSS Feeds (12/11/2009)

Dear All,

The Library's RSS feeds are getting popular with our users as this service can help to keep track of the subjects that they have selected from the items pre-set by the Library for the updated contents.

In response to the increasing needs and also to facilitate the retrieval of some common subjects, the Library has now enhanced the section of "By Selected Subjects". We have newly added such subjects as Economic, History, Language and Literature, Psychology, Public Administration, and Sociology for browsing.

Please take a look at <http://library.umac.mo/services/reference/rss.html> and use the Library's RSS Feeds service. Should you have any inquiries or suggestions, please feel free to send us an email to lib_ref@umac.mo.

Regards,
UM Library
