Database On Trial: Hospitality & Tourism Index with Full Text (12/12/2005)

Dear All,

In order to support faculty members and students in their teaching, learning and research, the Library has already acquired a substantial number of electronic databases. To further develop along this line, the Library constantly liaises with database vendors to have their new products tried out by our users before we decide to purchase them or not. The Hospitality & Tourism Index with Full Text is the latest one.

Hospitality & Tourism Index with Full Text -- It covers scholarly research and industry news relating to all areas of hospitality and tourism. This collection contains more than 500,000 records from more than 500 titles, with coverage dating as far back as 1965. In addition, it contains full text for more than 200 journals.

You are cordially invited to try out this database via the campus network until the 31st January 2006. Please use the link provided in "Trial Databases" at our web site or access at http://search.epnet.com for your search.

Please kindly give us your comments on this online database on trial at lib_ref@umac.mo.

Regards,

UM International Library
