

Database Newly Subscribed (06/03/2006)

Dear All,

We are pleased to announce that the Library has recently subscribed to the following database:

Translation Studies Abstracts (TSA) -- It consists of abstracts of articles from various resources including journals, electronic publications, collected volumes, and doctoral theses. Its companion publication, Bibliography of Translation Studies (BTS), consists of evaluative summaries of authored and collected volumes. Both of them focus on and cover all aspects of research within the fields of translation studies and cross cultural communication.

Please go to the library homepage, click on the "Databases" and use the link provided to get access to TSA Online, or directly at URL <http://217.199.184.112/tsaonline/index.php>. Kindly let us know at lib_ref@umac.mo if you have encountered any problem in your search and use of this database.

Regards,

UM International Library
