

Dear All,

In order to support faculty members and students in their teaching, learning and research, the Library has already acquired a substantial number of electronic databases. To further develop along this line, the Library constantly liaises with database vendors to have their new products tried out by our users before we decide to purchase them or not. The following databases are the latest ones.

(1) **Academic Search Complete** -- It provides more than 5,300 full-text periodicals, including 4,400 peer-reviewed journals and also offers indexing and abstracts for more than 9,300 journals.
