

European Documentation Centre (EDC) to European Info (EU i): Changing of Name (28/02/2007)

Dear All,

Happy Chinese New Year!

Please be informed that the European Documentation Centre (EDC) which is under the University Library's Document Centre has been renamed European Info (EU i) from January 1st, 2007. The Commission of the European Communities will keep on supplying the EU i, free of charge, with publications of the European Union institutions or make them available electronically. Staff of the Document Centre will continue to maintain this collection and provide a quality service to our readers.

Please feel free to contact Document Centre by Ext: 8164 for any inquiries.

Thank you for your kind attention!

Regards,
UM Library
