

## **New Photographs by Adam Lampton (21/03/2007)**

Dear All,

We are pleased to announce that an exhibition of the ongoing photographic work of Adam Lampton will be held at the Art Gallery of UM Library from 29th March to 13th April, 2007. Adam is visiting Macau on a William J. Fulbright grant from the United States. His project is looking at the historical preservation and current development of the SAR. He is specifically interested in how the landscape, architecture and people are defined in a region so connected to the past and yet so oriented toward the future.

You are cordially invited to join us for the opening reception during the time specified in the following and to visit this exhibition at the Art Gallery during the Library opening hours. Should you have any inquiries, please feel free to contact us at 397 8191 or 397 8171 or email at [lib\\_ref@umac.mo](mailto:lib_ref@umac.mo).

Regards,
