

Relocation of Newspaper Reading Area (05/10/2007)

Dear all,

Due to the very loud noise caused by the roof-top work project, the newspaper reading area on the 2/F of the Library will be moved to the "Anthony Lau Exhibition Hall" on the G/F of the Library **starting from the afternoon of 18 October (Monday)**, in order to provide a place with less noise disturbance for our readers. The newspaper reading area will remain in the "Anthony Lau Exhibition Hall" until further notice.

Sorry for all the inconvenience caused!

Thank you for your attention.

Regards,
UM Library
