Or how to find the influential individuals, institutions, papers and publications in your field of study? And, at the same time, win a prize? If so, our workshop can help!

The Library has invited Dr. See Diu Seng, the Solution Consultant in Scientific & Scholarly Research at Thomson Reuters (Dr. See's biography as attached), to conduct a workshop for three of our subscribed databases; namely, Web of Science (WOS), InCites Journal Citation Reports (JCR), and Essential Science Indicators (ESI).

The workshop will be held in the Exhibition Hall, Ground Floor of the University of Macau Library (E2), on 25th February 2016 (Thursday) from 10:30 to 13:00 (morning session) and then a repeat in the afternoon from 14:30 to 17:00. Those who join the workshop would have a chance to win prizes – Starbucks coupons ! Please refer to the attached poster for the details.
