

## **Library New Initiative: Library 100+ Workshops -- Paving the Way to Success (2016/08/29)**

Dear All,

As the new semester starts, the Library will lead your way in learning and research to success!

In order to pave your way to success in the future, we have prepared one hundred and more workshops in this semester. Through joining the workshops, library users can improve their abilities to use the Library's resources for study.

Kindly visit our web page (<http://library.umac.mo/html/services/reference/libprog/asp/libprogram.asp>) for checking the details and sign-up. (Please note that we will gradually announce more workshops). Kindly contact us for any inquiry or suggestion at [lib\\_ref@umac.mo](mailto:lib_ref@umac.mo).

To encourage participation, all attendees will get a small souvenir. **All are welcome!**

Regards,

UM Library
