Dear students,

The Library has launched the 2nd phase of "Reading Activity 2016": Reading with Prize. The purpose of this activity is to encourage students to borrow more books from the Library. Regardless of what type of books you read, the Library hopes that students can read more books, find pleasure in reading and get information, knowledge and inspiration from books.

For activity dates and details, please refer to the activity guidelines: <http://library.umac.mo/html/events/reading/guidelines.html>

Let's read and join our Reading Activity!
