

## **Library Activities -- Paving the Way to Success: Come and Join the Library Orientations and Workshops (2019/08/21)**

Dear All,

As the new semester starts, the Library will lead your way in learning and research to success!

As for the library instructions this semester, we have prepared library tour for undergraduate students and library orientation for postgraduate students. Through joining those, library users can improve their abilities in effectively using the Library's collections, facilities and services.

Moreover, in an effort to further improve faculty members and students' research skills, the University Library has also arranged a series of library workshops, which are conducted by outside trainers or library staff, and held from September to November 2019 at the Bibliographic Instruction Room (G019) of the Ground Floor at UM library.

For the details and registration, kindly refer to the scan the QR code to visit our webpage. (Please note that we will gradually announce more workshops). Kindly contact us for any inquiry or suggestion at [lib\\_ref@um.edu.mo](mailto:lib_ref@um.edu.mo).

To encourage participation, all attendees will get a small souvenir.

All are welcome!

Regards,  
UM Library
